92nd YEAR No. 40

FIFTEEN CENTS

Dr. Skidmore is hired by District 34

Donald E. Skidmore, 39, last week was hired to a three-year contract as superintendent of Antioch's Grade School District 34.

He expects to move from his present home in Amboy, Ill., near Dixon, and arrive in the Antioch area sometime in June.

He will replace Henry C. Meyer, who is leaving the superintendent's post about July 1.

Skidmore has a doctor's degree in educational administration and, in Amboy, has been superintendent of a unit school district.

HIS CONTRACT WITH the District 34 board of education runs till June 30, 1981. It was indicated at last week's school board meeting that Dr. Skidmore will receive \$33,000 a year, plus hospitalization, professional dues, 15¢ a mile travel expense for school business and \$500 moving expenses.

Dr. Skidmore was one of five finalists suggested to District 34 by the Illinois Association of School Boards, which screened more than 100 candidates from 14 states.

GAIL HEATH, SCHOOL board president, said:

"The board was extremely pleased with the high caliber of applicants we received from the school board association. After interviewing five candidates we all agreed Dr. Skidmore was our first choice for a new superintendent.

"The board then spent a day in his present district, talking with members of his staff; the community, as well as meeting with his family and touring his school facilities.

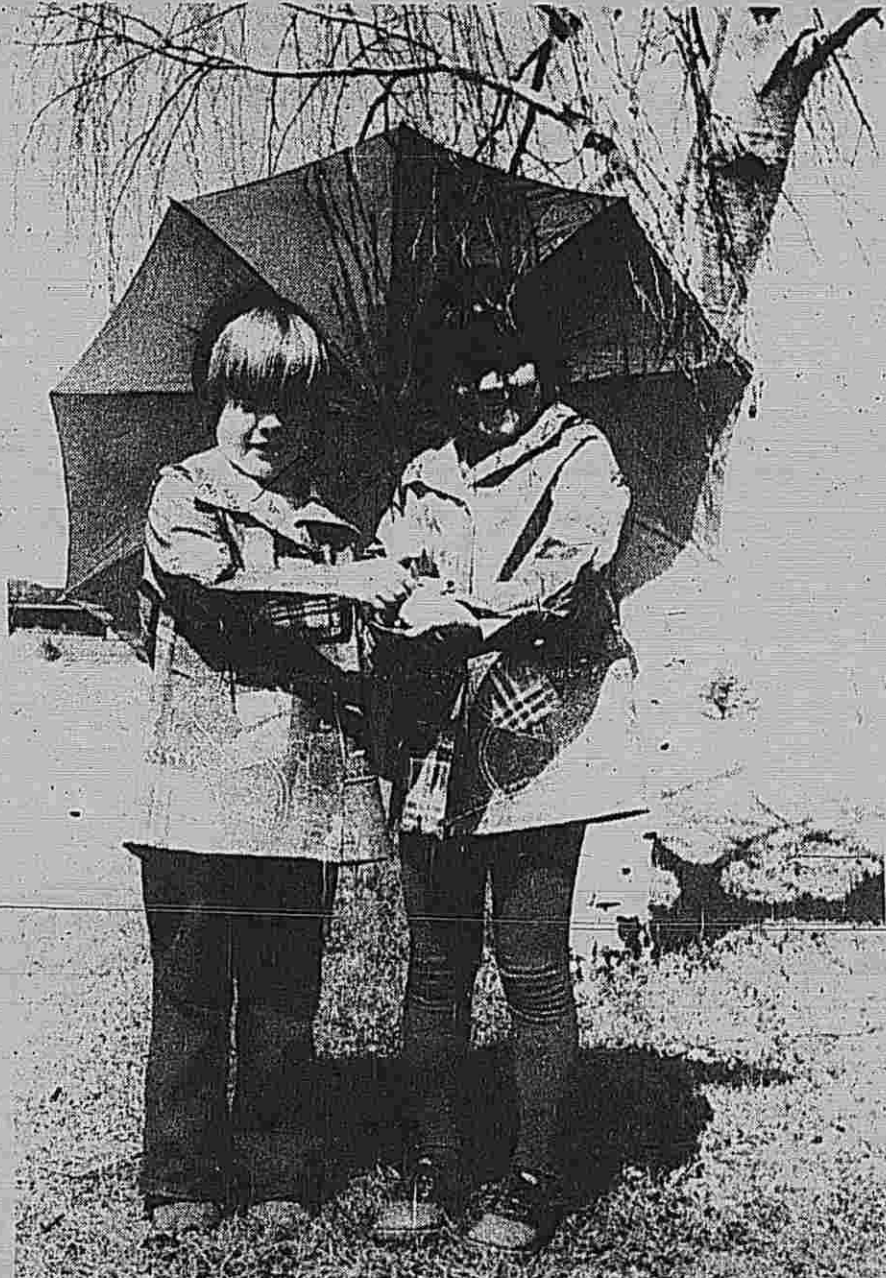

"We were just convinced after spending the day in Amboy that he was the man for our district."

Dr. Skidmore was born in Portland, Ore., and earned his bachelor of science degree in history and psychology at Northern Illinois University.

In 1965 he received a master of science degree at Northern in guidance and counseling. Then, in 1972, he achieved his doctorate at Northern in educational administration.

Dr. Skidmore and his wife, Evelyn, have three children: Steven 13, Donna 12 and Douglas 7.

Police chief resigns

Antioch's chief of police, John J. Wells, submitted his resignation at Monday night's village board meeting.

In a letter to Mayor Michael J. Haley, Chief Wells said:

"This may be considered my resignation if approved by you and the village board. I agreed to another year's appointment on May 1, 1977, and I believe that will be finalized at the close of business on Apr. 30, 1978."

Chief Wells added:

"I will be leaving the Antioch Police Department after 28 years of service in the law enforcement pro-

I will say it was a very gratifying experience and it has been a pleasure to serve with all of you as your police department head. The profession as a law officer is a very trying but gratifying experience this day and age, and I want to thank Mayor Haley and members of the board for their complete cooperation in my job as chief of police."

PLANNING SATURDAY NIGHT'S "VIP" dinner at St. Peter's social center are Sister Mary Roche (left), the school's principal, and Marie Esser, a member of the

committee. Sister Mary holds a parish bulletin featuring a picture of Eileen and Gene Zannini, who will be honored as Antioch's VIP couple of the year.

Antioch honors Zanninis as VIPs Saturday night

Antioch will go "all out" as only Antioch can do, in order to honor Gene and Eileen Zannini Saturday night. They have been chosen as the community's VIP couple for 1978.

The dinner-dance will be held at St. Peter's social center with cocktails at 6 p.m., dinner at 6:30 and dancing at 9. The program will be full of fun, and serious, as well.

GUEST SPEAKERS who will give brief talks include Robert Sabonjian, former mayor of Waukegan; Jack Wells, Antioch's police chief, and Richard F. Kennedy, publisher of the Waukegan News-Sun.

All three are friends of Mr. and Mrs. Zannini. William E. Brook, president of the State Bank of Antioch and another close friend, will be the master of ceremonies.

Mayor Michael J. Haley will make a presentation on behalf of the village.

"Mr. and Mrs. Zannini are a delightful couple who have been consistently active in the Antioch community since their arrival in 1963," said Pat Roman, a member of the committee.

Prior to moving to Antioch, Gene and Eileen Zannini lived in Waukegan. They are originally from Chicago and the family moved to Waukegan around 1937 where they owned and operated the Chateau De Jour restaurant until 1951.

MR. AND MRS. ZANNINI then located in Antioch and

owned the Webb's Boat Service and Marina for many years. They are the parents of seven children (six daughters and one son) and have 17 grandchildren.

Mr. Zannini's Antioch involvements are numerous:

Lake County Assessor's office, St. Peter's athletic program, the Lions Club, charter member of the Rotary Club, Antioch Republican Club, Bicentennial Commission, the advisory board of Catholic Charities and many other community and church-related activities.

MRS. ZANNINI IS PRESENTLY on St. Peter's school board, works with St. Peter's athletic program, belongs to the Antioch Woman's Club and is involved in many other activities.

Monika Coyle, another committee member, said:

"We believe that the election committee has made a fantastic selection."

Honored in previous years were Jim McMillen, W.C. Petty, William E. Brook, Rudy Eckert, Albert L. Dittman, Fern Watson, Elmer and Gert Zimmerman, Herman Holbek and, last year, Hank and Ricky Apostol.

Mrs. Coyle said:

"Everyone is invited to share the evening honoring Gene and Eileen Zannini."

"Many people have been hard at work doing their best to provide the finest possible for those who attend. Tickets are available at \$7.50 per person at St. Peter's rectory, the State Bank of Antioch, the First National Bank of Antioch, and the Antioch Savings and Loan Association."

Letter

To the Editor:

We would like to take this opportunity to thank all the people who so strongly supported us and our beliefs in the Apr. 8 Grass Lake School, District 36, school board election.

There are concerned parents and senior citizens in our district whose purpose is to do the best for our school and our children, and you showed that by giving us your support Saturday.

Everyone worked hard, but anything good is worth every effort. We met a lot of new faces, and made some new friends. We will remember all of you.

Again, thanks to everyone and we will put forth our best to represent your district and your school.

Watch out for phony inspectors

Local residents have been warned again to be suspicious of strangers claiming to be electrical inspectors working for Commonwealth Edison Company.

The phony inspectors gained access to several homes in local communities last week by posing as utility company representatives performing wiring inspections.

THE CON-ARTISTS, OPERATING in pairs, made hasty wiring inspections and informed the homeowners that they had a \$9 refund due. They requested change for a \$20 and, when they learned where the money was kept, robbed the homes.

Another tactic used in past years was to get the homeowner in an isolated part of the house while an accomplice scoured the home for valuables.

"HOUSEHOLDERS SHOULD ASK to see the Edison identification card of any person seeking access to their homes under the guise of an electrical inspector or meter man," said Joseph Scheuerman, Edison district manager.

Every Edison employee carries an identification card containing a picture. Also, the utility does not conduct unsolicited inspections of household wiring, Scheuerman added.

Local police officials should be notified immediately if an inspection scheme appears suspicious.

Two people in Antioch and Lake Villa have reported the theft of \$350 from their homes after a man who said he represented Commonwealth Edison Co. told the victims they had refunds coming.

Lake County Sheriff E.J. LaMagdeleine said he is appealing to residents to be wary of men who pose as representatives of the utility firm, furnace repair firms and those offering to repair driveways.

"Make sure a person coming to your house has an identification card and if you are in doubt, telephone the Lake County sheriff's office, the chamber of commerce or an authorized governmental agency," the sheriff said.

A spokesman for Commonwealth Edison said the company did not have repair men in the Antioch or Lake Villa area on Thursday, the day the thefts took place.

THE ANTIOCH VICTIM said a man with a black mustache came to his back door and identified himself as an employee of the utility company.

The elderly resident admitted the man to his home assuming he was going to do work for the utility. While in the home, the intruder told the victim he had a \$9 refund coming, produced a \$20 bill and asked if he had change.

The victim went to a bedroom and found he could not change the \$20 bill. The suspect then left the home after he went to the various rooms to turn on and off the lights.

Later, the victim went to the bedroom and discovered that seven \$20 bills were missing from a drawer.

The sheriff said it was apparent the money was taken while the man was in the house.

THE SECOND VICTIM also reported that a man represented himself as working for Commonwealth

Edison and that she also had a refund due.

He told her to turn on all the lights in order to check the electrical lines. She said she stayed in the living room to turn on and off the lights. She thought this was unusual and walked into the kitchen and was going to telephone her neighbor when the man hung up the telephone on her.

He also told her that he wanted the \$20 back when she noticed a second man standing on the porch. She said the man left the house, got into a pickup truck and drove away.

LaMagdeleine said she searched the house and found about \$300 missing from a dresser and a file cabinet.

A watch also was missing.

Peckelsma is 'cut out' by the ROARS of springtime

By JERRY PFARR

Spring is here. You can tell by the rain, the mud, the crocuses and the loud motorcycles.

Those who think the only problems of the suburbanite are sick maple trees, septic tanks and coddled children haven't heard the buzz saw racket of the unmuffled motorcycle.

The family that fled to the suburbs for peace and quiet was kidding itself.

UNTIL NOW, HOWEVER, few persons suspected that this invasion of the small-town atmosphere was anything more than an unfortunately frequent rider who had tinkered with his muffler.

But then my friend, Peckelsma, discovered it was an organized movement.

His son suddenly stopped throwing a basketball through the hoop on their two and a half car garage and announced that he wanted to buy a motorcycle so he could become a member of the ROARS.

"What are the ROARS?" asked Peckelsma.

"It stands for 'Revving Obnoxiously Around Residential Sections, dad.'"

Mattson tops voting at Grass Lake

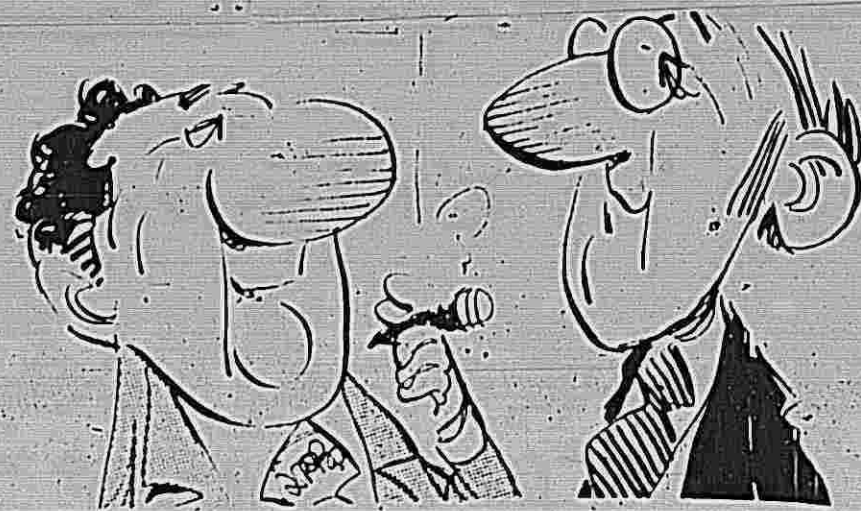

Robert Mattson received 184 votes last Saturday to unseat incumbent Susan M. Lloyd in the Grass Lake district school board election.

Mattson earned a three-year term and incumbent Jeanne Handschiegel was retained for another three years when she collected 175 votes. Mrs. Lloyd trailed with 127 votes.

Mattson will join Mrs. Handschiegel on the board along with five persons whose terms were not expiring: Don Ament, president, John Steitz, Marlene Olson, Mary Beth Walsh and Henry Nohava.

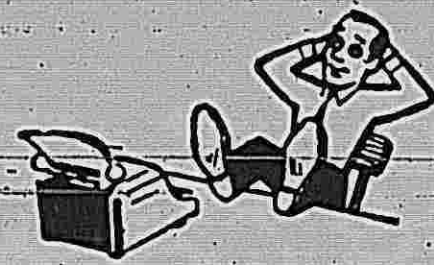

IN EMMONS Grade School District No. 33, Richard Ruck, as incumbent, and Donald Lessard won three-year terms in an uncontested election.

Other board members at Emmons are Richard Becker, president; Sophie Thain, Ruth Duha, Ann Kaiser and Carl Fischer.

ROARS' meeting, Peckelsma told his son to stay home but that he himself would attend and get to the bottom of all this racket.

"I see," said the president of the ROARS, "that our meeting has attracted someone without a black leather jacket. What's on your mind, Pop?"

"Well, sir, I am wondering why your club has adopted an organized effort to make noise in our community?"

"Look, man, you're living in a fast age. The world now belongs to our generation and we happen to like noise."

"YEAH, POPS," said the vice president of ROARS. It impresses the girls. And noise gives us a feeling of power."

"I suppose," said Peckelsma, "you do have your psychological reasons. But, you see, I bought a home out here in a nice section of town so I could raise my kids in peace and quiet and, you know, have cookouts and just enjoy the simple pleasures without a lot of racket."

"What makes you think you have the right to peace and quiet?" said a member of the club from somewhere behind his goggles.

"Well, I suppose most of you fellows weren't born yet, but back in the 1940s my generation went overseas and won a big war just so we could come home and live peacefully."

"Hey, Pop's patriotic!" yelled the vice president. "He's out of his sprocket!"

"Well," said Peckelsma, "I guess I could sell my home and move farther out..."

"Don't bother, Pop," said the president of ROARS. "We'd find you."

Home improvement incentive offered

"The Antioch Savings & Loan Association is doing its part in the conservation of energy," Thomas Kelly, president of the financial institution, said Tuesday.

As an incentive for homeowners to insulate their homes to higher standards for saving energy, the Savings & Loan is offering up to 1 percent off its regular interest rates for this type of improvement, he said.

"We also make it simple for the homeowner to get an estimate on how much insulation is needed, and at what cost, through a reputable local insulation firm. The service is free with no obligation to the homeowner," Kelly said.

Kelly added:

"We want to do our part in helping our community conserve energy. We want to make it easy for the homeowner to insulate now before labor and material prices rise again."

70 YEARS AGO: APRIL 9, 1908

The election in Antioch on Tuesday was one of the most exciting ever held in the township. Despite the bad condition of the roads and occasional showers throughout the day, a total vote of 506 was recorded. The Allendale band and children of that institution were met at the depot by children from the Antioch school. A parade was formed which marched through the street carrying flags and banners. Antioch Township remains wet. Option results in Illinois - Saloons wiped out ... 1,071. Total dry majority ... 53,706.

The assessor's books have been received by H. Bock and you are liable to receive a call from him any day.

All those who are interested are requested to meet at the Union cemetery on Friday afternoon, April 10, to clean up and beautify the cemetery. By order of committee.

Lew Felter, one of Antioch's prominent business men, succumbed to temptation Sunday morning, and shouldering his gun, hied himself to Grass Lake with the express purpose of bagging all the ducks and mud hens to be found on the lake. The result was, he brought home with him five ducks and three mud hens. Lew says that in order to bag ducks, one must keep his cap pulled down over his eyes, for what particular purpose he did not state. He says this is Jim McDougall's only fault as a hunter - he will not keep his cap pulled down over his eyes.

At a regular meeting of the village board held on Tuesday evening, the old mill property, on railroad street was sold to Lew Felter. Consideration \$200.

40 YEARS AGO: APRIL 14, 1938

Due to the fact that there was no opposition to candidates in the school election held here Saturday afternoon, only a light vote was polled at both schools. Joe Horton, was elected president, and E.H. Brinkman and A.M. Hawkins members of the grade school district. Only 28 voters visited the polls. Mrs. Ida Kufalk was clerk of the election and Mrs. C.L. Kutil and Mrs. O.S. Klass, judges.

By-laws for the newly formed Channel Lake Community Club were approved by the 50 charter members of the organization at a meeting held April 6. Besides President Paul Chase and Vice President Al Ebeling, other officers previously elected were Charles Atwood, secretary, and Mrs. Nicholas Zeien, treasurer.

"True-West," a non-fiction magazine has a story in its March-April 1968 issue that will be of interest to Antioch readers. "Lure of the Gold Camps" was written by Mary Elizabeth Story Howard in 1911. She was the great-grandmother of Dr. Alan Thain and an aunt of William A. Story, 96, who is the father of Robert Story of Antioch.

The story tells of the Story family moving to the Trevor area on the west bank of Marshall's Lake (Rock Lake) in 1840. It was a wild place at that time, and Indians often made calls, but seemed to be just hunters and made little trouble for anyone.

July 2 is date of sawmill festivities

By JOE HUNLEY

The celebration dedicating the Hiram Buttrick Sawmill and Gage Brothers Park in Antioch will be held on Sunday, July 2.

The village committee working on the project has voted to hold the ceremonies on Sunday, rather than Tuesday the 4th, so that more people could attend.

Many indicated they wanted to attend, but were already committed for the Fourth of July. Work is progressing so that the sawmill and the park will be ready by July 2.

WALT SHEPARD SAYS more fieldstone is needed. Anyone who has some round fieldstones - six, eight or 10 inches in diameter - is asked to contribute them to the sawmill project.

The committee is also looking for pine logs - 12 to 14 inches in diameter, and 12 to 14 feet in length. If you have any pine logs or know where they can be obtained, please call Mr. Shepard at the Antioch village hall, 395-1000.

Dr. James Kopriva is collecting items for a college for the sawmill; and a time capsule committee is gathering memorabilia for the vault. According to Hank Apostol, the program for the festivities on July 2 is nearing completion.

BILL BROOK ANNOUNCED that the public is invited to help with the park arboretum by donating trees. Robert Rennebohm, director of land planning for Harland, Bartholomew and Associates, has prepared a list of trees which were native to the Antioch area and were harvested for use as lumber and other wood products.

He recommended a minimum number of two each of the following: sugar maple, blue birch, bitternut hickory, shagbark hickory, white ash, green ash, black walnut, hop hornbeam, black cherry, white oak, eastern red oak and black oak.

PLANS CALL FOR a plaque identifying each tree and the name of the donor or the person to whom the tree is dedicated as a memorial. This will provide a living exhibit to complement the working sawmill.

Persons wishing to donate a tree can contact Mr. Shepard. A number of citizens have already indicated they would like to contribute the cost of a tree for a memorial.

Individuals, organizations, businesses, contractors and industries are donating time, talent, equipment and material to the Hiram Buttrick Sawmill, making it a "community" project.

Cole visits Free Church next week

C. Donald Cole, radio pastor of the Moody Bible Institute of Chicago, will minister in meetings Sunday, Apr. 16, through Wednesday, Apr. 19, at the Antioch Evangelical Free Church on Tiffany Rd.

"Sunday times are 11 a.m. and 7 p.m., with the week nights at 7:30 p.m.," said Pastor Bernard C. Fosmark.

Mr. Cole is pastor of two of the Moody Bible Insti-

tute's radiostations.

"He ministers to a massive air-wave audience," said Rev. Fosmark. "With a power of 100,000 watts, WMBI-FM stereo (90.1 on the dial) is one of Chicago's most powerful stations.

The AM station is heard at 1140 on the dial.

Prior to joining the Moody staff, Pastor Cole served as a missionary in Angola for 18 years. He also taught at Emmaus Bible School in Oak Park

and edited "Interest" magazine, published by Stewards Foundation.

Moody Bible Institute is a college-level professional school training men and women for various church-related vocations.

Special meeting at ACHS

A special meeting of the board of education of Antioch High School, District 117, will be held Thursday at 7 p.m. in the board room.

"The purpose of the meeting is to review life-

safety bids and letting contracts at board discretion," said Robert M. Lindblad, president.

to increase police manpower and mechanized equipment and the remodeling of our police building to be of better service to the citizens of Antioch. I believe we, at the present time, have a fine roster of sworn police officers of which most have been school trained.

"I also know our civilian employees of the police department are serving our citizens in a courteous, and efficient manner. I have tried to instill in our police officers that they should at all times be courteous, efficient and honest but not subservient to anyone in the performance of their sworn duties while on preventative and responsive patrol.

"I also agree with change for the advancement of new techniques and progress that is so necessary in building police professionalism."

Chief Wells concluded: "If in my retirement I can be of any service to the village or its police department, you may call on me at any time."

Village trustees voted that Chief Wells' resignation be formally accepted at next Monday's board meeting.

The Regional Transportation Authority held inauguration ceremonies in here Monday, in a morning drizzle, as two new RTA bus routes began servicing the area. Cowboy hats were in style as the RTA came "west" to Antioch. Participating in the ceremonies were State Representative Don Deuster (standing at left), RTA officials, Village Clerk Marilyn Sterbenz, Mayor Michael J. Thought for Today

If someone offered you a job at one penny a day, and doubled that amount each day for a month, would you take it?

You would make a terrible mistake if you wouldn't.

On the second day you would receive two pennies. But on the tenth day you would receive five dollars and twelve cents.

Keep doubling that, and by the fifteenth day you would receive one-hundred-sixty-three dollars and eighty-four cents. On the thirtieth day you would receive five million, three-hundred-sixty-eight thousand, seven-hundred-nine dollars and twelve cents.

All about town ...

By LINDA WALKER

Our good friends, Sandy Norwood and Karen Filus, are opening their own beauty shop, Hair Designs Unlimited. The shop at Harbor Ridge Country Club will be open seven days a week starting Sunday, Apr. 16, and will cater to both men and women of all ages.

The best of luck to you girls; we're going to miss you at Guys & Dolls.

LAST WEEK I MENTIONED the progress at Bernie's Corners but forgot to mention Wild World Taxidermy. Charlie Rudnik is the experienced taxidermist at 542 Main St. (former location of Unfinished Business).

The wall-displayed showroom has everything from a prize-size trout to a full-grown black bear. However, Charlie's little 2-year-old son, Stevie, calls everything a fox.

I'm sure all the sportsmen will enjoy browsing through the store and, for quality work, you can't beat Wild World Taxidermy.

YES, IT'S TRUE, there will be a racquetball club in town. Although construction hasn't started yet, the Lake View Hills Racquetball Courts will be on the way soon.

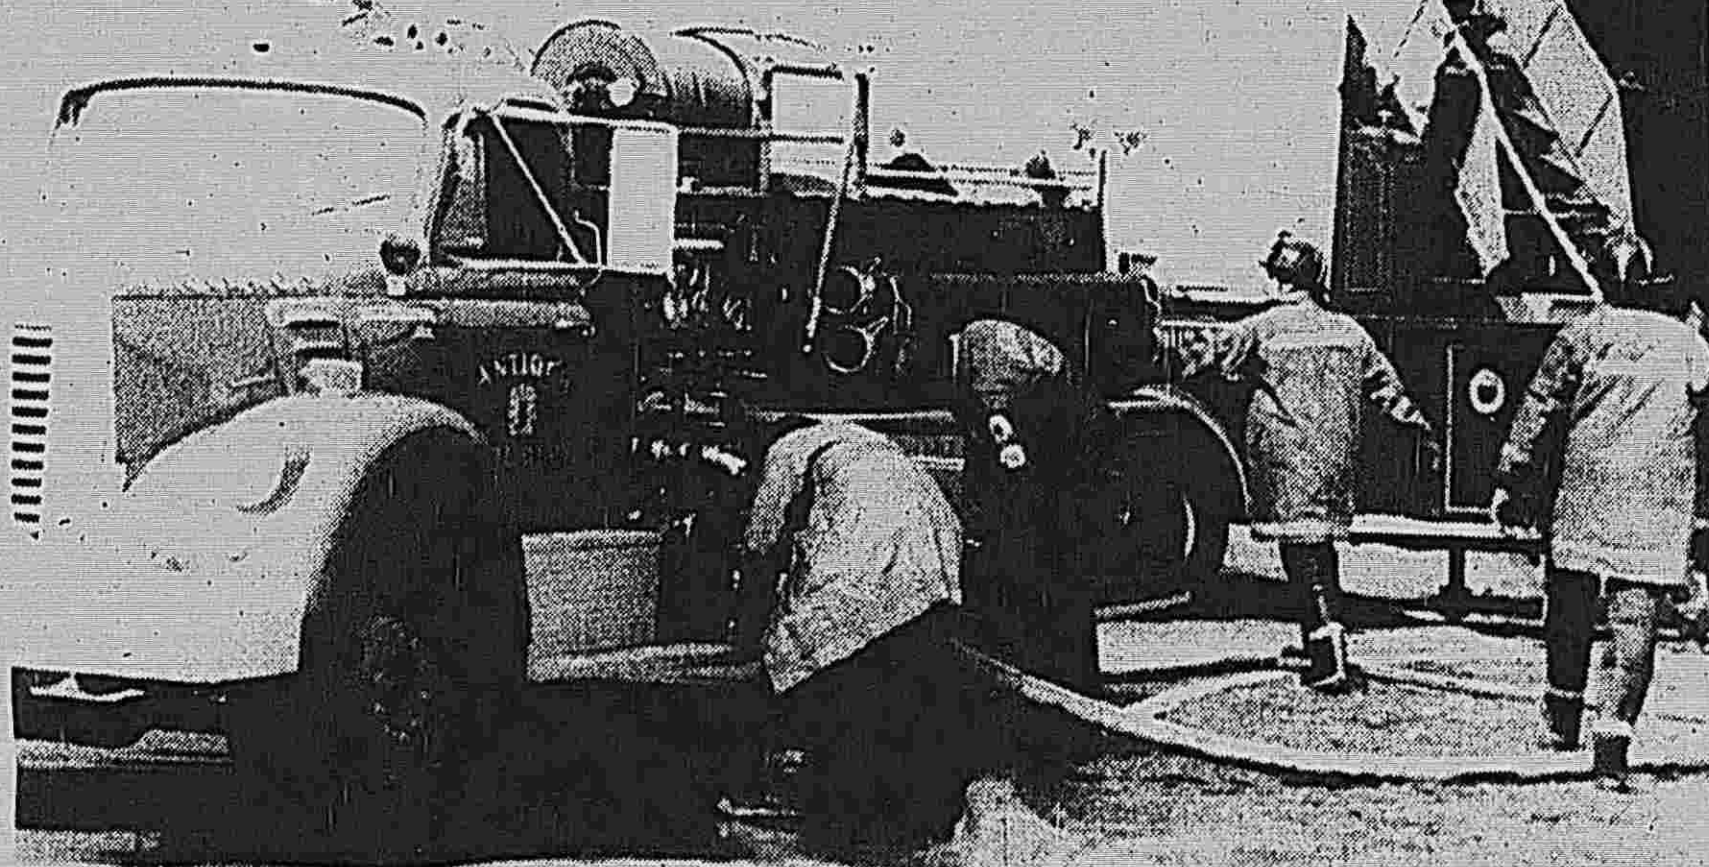

The well-designed structure will be located on Highway 83, next to the Gilded Cage, just south of the village.

BETTER GET YOUR tickets now for the basketball game between Antioch businessmen and members of the Chicago Bears football team. The thrilling game is Friday, Apr. 21, at the Antioch High School gym. The tickets are \$3 in advance, \$3.50 at the door, and are available at the First Bank, the State Bank, the Savings & Loan, Limerick Lounge, Village Pub or Chamber office.

It ought to be interesting to see which businessman can last the longest.

BOB BEMIS' complex at Hickory Commons on Route 173, under the water tower, is rapidly growing. Bob told us that Antioch Carpet will be expanding and several new stores will be opening soon.

Glad to hear it - we sure like the new shopping area and it has plenty of parking facilities.

Voters being informed about park district

Information supporting the creation of a park district in Antioch village and township is being disseminated by those backing the plan.

Voters will decide on the issue Saturday, Apr. 22.

Among those speaking to local groups are the eight persons who have taken out petitions to serve as commissioners of the district.

They are Bruce Bartosz, Kenneth W. Longardner, Eunice Mueller, Gordon K. Volling, Marcia A. Starcevic, Dale W. Frasch, Clifton H. Houghton and Richard Harland.

WHEN VOTERS GO TO the polls for the referendum, they also will be asked to select five of those eight to serve as commissioners.

Five already are members of the village park commission: Houghton is chairman and Bartosz, Longardner, Mrs. Mueller and Mrs. Starcevic are members.

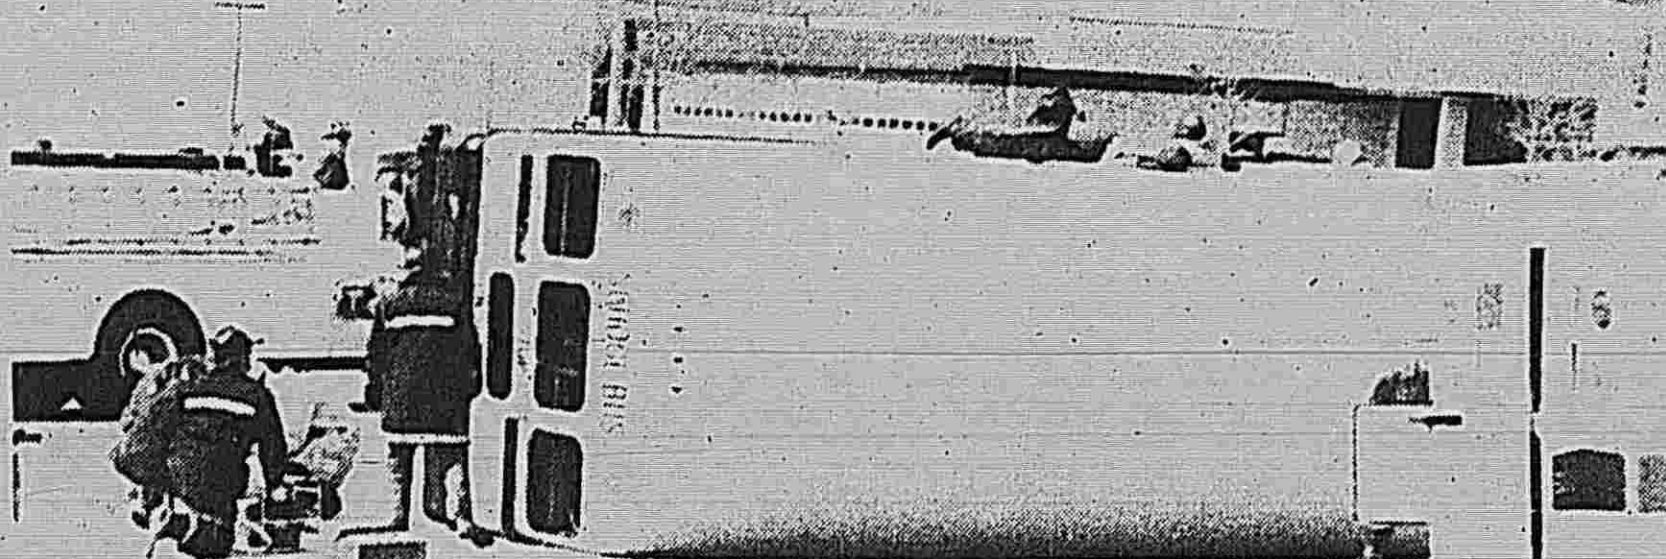

VILLAGE OFFICIALS FEEL they need township support in order to serve the community.

Sue Koppa, village parks and recreation coordinator, said the situation now is "mainly an athletic program for grade school students." She also mentioned that the village has inadequate space for programs and storage, lacks a community center, lacks adequate transportation, and has limited senior citizen programs.

MRS. KOPPA AND Houghton have said that a park district involving the township as well as the village could broaden programming for all ages, acquire fast-disap-

cosmetics for fine home furnishings

In order to properly maintain and enhance the beauty of fine wood finishes it is essential to bathe the wood in a rich, moisturizing cream. Like a facial cream, a good furniture preparation will clean, moisturize, and bring out the deep glow and natural beauty of the wood grain.

Weiman Furniture Cream is such a preparation! Its essential oils penetrate deep into the wood, cleaning and moisturizing. Weiman Furniture Cream contains no pore-clogging silicones, it allows the wood to breathe, keeping the finish vital and naturally beautiful. It also preserves and conditions, keeps wood from drying out and cracking. Makes fine furniture as beautiful as when it was new.

Leather will also benefit from the "life giving" oils of Weiman Furniture Cream.

Woman's Club visits Woodstock

By FLORENCE PEDERSEN

The newly renovated Woodstock Opera House was the highlight of the Antioch Woman's Club tour last week.

It is the oldest of its kind in the Midwest. Since 1890 the historic building has served as a gathering place for the benefit and enjoyment of all.

The Opera House, a handsome period piece of architecture, reflects provincial America at the turn of the century. In July of 1974 the Opera House was honored when it was listed in the National Register of Historic Places. It was completely restored and renovated in 1976 through city and community efforts.

INCLUDED IN THE TOUR was a visit to the Old McHenry County courthouse and jail, a national historic landmark built in 1857.

A luncheon was served to the group at the Court House Inn and there were many interesting shops to investigate.

The next Antioch Woman's Club meeting on Monday, Apr. 17, at the First Bank of Antioch will feature a slide presentation on the Winter Tour Museum of American Decorative Arts, located in Wilmington, Delaware.

The museum covers 200 years of art from 1640 to 1840 and was funded by Henry Francis DuPont. The program will be presented by Joan Larson of Antioch. Joan teaches a course, "How to Identify Antiques," at the College of Lake County. She was formerly with Chicago's Marshall Field Antique Furniture Gallery, and owns the Courtyard Antique Shop in Antioch.

A DESSERT CARD PARTY and white elephant silent auction will be held Apr. 24 at 12:30 p.m. at the First Bank of Antioch.

The closing luncheon will be held May 1 at Crescent Bay Landing in Johnsburg.

TEACHERS AND STUDENTS at St. Peter's school are preparing their social center for Saturday night's VIP dinner honoring Gene and Eileen Zannini. From

'April Showers' is theme of Emmons' show

"April Showers," the annual dinner and style show presented by the Emmons School Parent-Teachers Organization, will be held Thursday, Apr. 27 at Andre's Steak House in Richmond.

Fashions for the whole family will be featured. Participating are BJ's Fashions for Men, Barnstables' the

Left Bank for junior misses, and new this year - Sears and Roebuck for children's fashions.

At 7 p.m. a full-course prime rib dinner will be served. A cocktail hour will precede the dinner.

Following dinner will be the style show and prizes supplied by local merchants.

Also awarded will be a vacation for two in Las Vegas. Tickets are now being sold by Emmons School parents.

Style show tickets, at \$9, are on sale at the First National Bank of Antioch, the State Bank, or from ticket chairman, Gloria Kruczek at 395-5071.

Tickets are sold in advance only.

Happenings in and around our community

MEMBERS OF the Chain O'Lakes Woodchippers club will meet at 7 o'clock tonight (Wednesday), in the community

room of the First Bank of Antioch.

They will discuss plans for their Saturday, Apr. 29, woodcarving show.

Al Dittman, leader of the group, said exhibitors will come from Indiana, Michigan and Wisconsin, as well as Illinois.

"No doubt the show will be an excellent one," he said. "Twenty-four carvers will show their work. No admission will be charged."

EUGENE KUPJACK, a skilled miniaturist with an international reputation, will be a special guest at the Hawthorn miniature show.

Mr. Kupjack will be at Hawthorn Center on Saturday and Sunday from 2 p.m. to 4 p.m. to meet with hobbyists on an informal basis and answer questions.

He lives in Park Ridge, where he builds his famous miniatures. He's built a replica of Thomas Jefferson's Monticello study, a Georgian drawing room, a Chinese laundry, an 1860's bank, and an artist's studio in Paris, just to mention a few of his projects.

PM&L veteran Don Beveroth now is the director of the musical comedy, replacing Lou Jones, whose work is sending him to Saudi Arabia.

ElMarie Beno has become stage manager while Yvonne Schrimpf and Kris Hansen are continuing as choreographer and music director.

THE CAST OF SINGERS, dancers and actors includes Doug Kodziolka of Mundelein as Billy and Tricia Schaefer of Antioch as Reno.

Frank DiMarco is cast as Moon ("Public Enemy No. 13") while others featured in the production are Beveroth, Frank Greenwood and Donna Lusch.

In supporting roles are Ray Lewis, Antioch; George Blanksten, Antioch; Paul Biel, Antioch; Tony Salvo, Zion; Hank Apostol, Antioch; Rosemary Scheske, Antioch; Alice Scheske, Antioch; Doreen Kane, Lindenhurst; Debbie Beno, Wildwood; Koral Schrimpf, Round Lake Beach, and Rosalyn Scheske, Antioch.

Also, Aileen Biel, Alberta Unrol, Mike Petersen, David Beno and Al Harvey round out the cast of the large-scale musical.

"ANYTHING GOES" HAS BEEN delighting audiences since the mid-1930s. Its songs and dances are established hits. Musical numbers, in addition to the title song, include "You're the Top," "Friendship," "It's Delovely," "I Get A Kick out of You," and "Blow, Gabriel, Blow."

The music is by Cole Porter, and the book is by the team of Guy Bolton, P.G. Wodehouse, Howard Lindsay and Russell Crouse.

Entertainment planned at Faith Lutheran

It's the season for showers and Faith Lutheran School of Antioch is inviting the public to its entertainment night, "A Shower of Stars."

It will be held at 7 p.m. Friday.

"We have a number of very talented stars (pupils at the school) and they will delight you with plays and songs," said Vicki Weyenberg, one of the teachers in charge of the program.

Part of the entertainment consists of two plays, "Stone Soup" and "The Space Ship Santa Maria," and also songs entitled "The Man on the Flying Trapeze," "A.B.C. Song" and "You're a Grand Old Flag."

"We hope to brighten your evening with fun and laughter and shower you with happiness," Miss Weyenberg said.

Although an average American pronounces 220 syllables a minute, an average South Sea Islander pronounces only about 50.

"STUDENT-TEACHER TURN-AROUND Day" was held at Antioch High School last week, as the students assumed the roles of their educators and learned something about "the other side of the situation."

Above, "teachers" Elayne Hanert and Dawn Quedenfeld observe Darren Houghton's drafting skills as the real teacher, Rollie Schleusener, enjoys the switch.

Along the way with ANNIE MAE

Some of my thousands of readers have chided me that I don't have enough spicy gossip in this column.

Well, even if I knew, I couldn't tell you today's gossip - at least I couldn't put it in print. But to satisfy your appetites I will tell you what went on here 70 years ago.

I wasn't here at the time, of course - I'm much younger than that - but I was reading an issue of the Antioch News from April of 1908 and right on the front page was this headline:

"Wife Ejects Husband."

Following were a series of sub-headlines which newspapers used in those days:

"Home Breaker May Cause a Divorce, According to Husband's Story ... Another 'Man' In Case ... Police Officer Accompanies Husband to Residence so That He Can Get His Clothes and Stay Away."

NOW, FOR THE STORY! It seems that a Waukegan policeman accompanied a certain man to his home at 117 Hickory St. while he got his clothes and belongings. Then the man left for Indiana "where he will mortgage his modest property," the story said, "and coming back will file papers in what bids fair to be a sensational suit for divorce."

Want more? Okay...

"Mr. (Blank) says he left his wife in Racine some two months ago. She followed him, although he had dismissed her for alleged unfaithfulness, and she finally won him around."

"Hard working, steady, industrious and long suffering, he says she abused him by alleged unfaithfulness with a Waukegan man whose name the police have and who is known as a notorious woman chaser."

They didn't pull any punches in those days, did they? On with the story...

"HE (OUR HERO, MR. BLANK) said that after he had been operated upon for appendicitis at the hospital not one of his three children or his wife assisted him home, weak as he was."

"Tuesday night he was pushed into the street, he says, and told never to come back. His wife and stepdaughter, he says, ejected him with scorn and contumely. (Contumely means rudeness or humiliating treatment ... I thought I'd save you the trouble of looking it up.)"

"He (Mr. Blank again) is a carpenter and the police say he is an industrious and sober citizen, who has been made the victim of a rascally breaker-up of homes. The police chief says he knows the case and that Mr. Blank is in the right."

Well, that's good enough for us!

LOTS OF GREETING CARDS and birthday cakes to buy (or bake) in the next few days.

In fact, today (Wednesday) is Tom Poulos' birthday. And look who's celebrating on Saturday: Patti Wilton and Jeannine Andrews.

Sunday, Apr. 16, is Kathy Sobczak's birthday and Monday, the 17th, is the day Wayne Sobczak will be receiving cards and gifts.

Dave Gutowski also has a birthday coming up next Monday, and Ken Smouse celebrates on Tuesday, the 18th.

Next Wednesday, Apr. 19, is Dick Erickson's birthday. Dick not only should be congratulated on his birthday, but also on his beautiful store on Lake St., Eickson's Sewing Center.

Route 83 in the RTA bus program. This resort area consists of approximately one third of the population of Antioch township.

I told him at that meeting that I was receiving many telephone calls protesting the route - starting the program without considering servicing this important area. The RTA could continue its original plan of originating in Antioch going south on Route 83. When it reaches Grass Lake Road, it could turn right (west) and service the taxpayers in the new Harbor Ridge development at Route 59 and Grass Lake Road. Harbor Ridge is a new subdivision of new homes and condominiums.

The route could continue west on Grass Lake Road servicing the many residents of North Petite Lake subdivision - continuing across the Fox River bridge to service residents of Lotus Woods, Vacation Village and the senior citizens subdivision, Leisure Village. Then it could turn left on State Line road to U.S. Route 12, south (left) to the village of Fox Lake, turn left (east) on Route 132 (Grand Ave.) to the village of Lake Villa, where it could pick up route 83 and turn right (south) and continue its original route.

The protesting calls are still coming in and some are suggesting court action to have the RTA program include the areas above as they, as taxpayers, are entitled to be considered in the plan.

Unless the RTA plans include the areas above, I will have no alternative but court action to have the residents of southwest Antioch township included in the program. They are taxpayers and are entitled to be included.

Very truly,
Frank ReCupido, Chairman

IT WAS DONNA BARTH'S BIRTHDAY and her friends at the World Famous Village Pub celebrated with their usual originality last week. To Donna's surprise they pulled up in front of the restaurant with a big truck, adorned with a huge sign that said

"Happy Birthday, Donna!" That's Mrs. Barth in the center of the group and that's her friend Donna Anderson being hoisted up to write her special message on the unique birthday card.

THE TOWN CRIER

The neatest news stories come out of London, England. I have always suspected that the correspondents over there have nothing to do, so they sit around and dream up funny stories and then put them on the wire.

Take this one from United Press International:

A frivolous Briton picked up his telephone and dialed G-O-D.

"Can I help you?" came a suave reply. He reported it to the general post office, which told him it was the same numerical combination for information-I-N-F.

CLEANING OUT MY DESK (an event that happens every 15 years or so) I ran across a story I wrote in the 1960s for the Milwaukee Journal. The headline said:

"Lento Is Star for Kenosha."

The story told how Kenosha High School's football team rolled to its 15th straight victory by walloping Madison Central 32-2. Dennis Lento, Kenosha's senior quarterback (and now the general sales manager at Teresi Chevrolet in Antioch) passed for three touchdowns and ran 57 yards for another.

We told Dennis about it and he said:

"Did I really run 57 yards for a touchdown? Well, what could I do? I had the ball and I was probably scared to death."

SOME FOLKS are still complaining about Antioch's landfill site.

THE FUNNY THING about garbage is that everybody wants it picked up, but nobody wants it put down.

Some people in Chicago have the answer. They gift-wrap their garbage and put in on the front seat of their car ... then someone comes along and steals it.

BRUCE BARTOSZ SAID the other day:

"God tried to create all heads equal ... those he messed up he covered with hair."

THE ANTIOCH COMMITTEE planning the Sunday, July 2, sawmill dedication has some fascinating ideas.

One is to have Lloyd Pedersen, a professional singer and entertainer from Antioch, sing the National Anthem, accompanied by the high school band.

The replica of the sawmill built here by Hiram Buttrick in the 1830s will be a "working model." The cutting of the first log will be narrated by Joe Hunley of WKRS radio.

After the ceremonies, which will start at 1 or 2 p.m., village parks will be open for picnics. The swimming pool in Williams Park also will be open, free of charge.

The committee is discussing the possibility of sky divers, an Indian pageant and maybe fireworks.

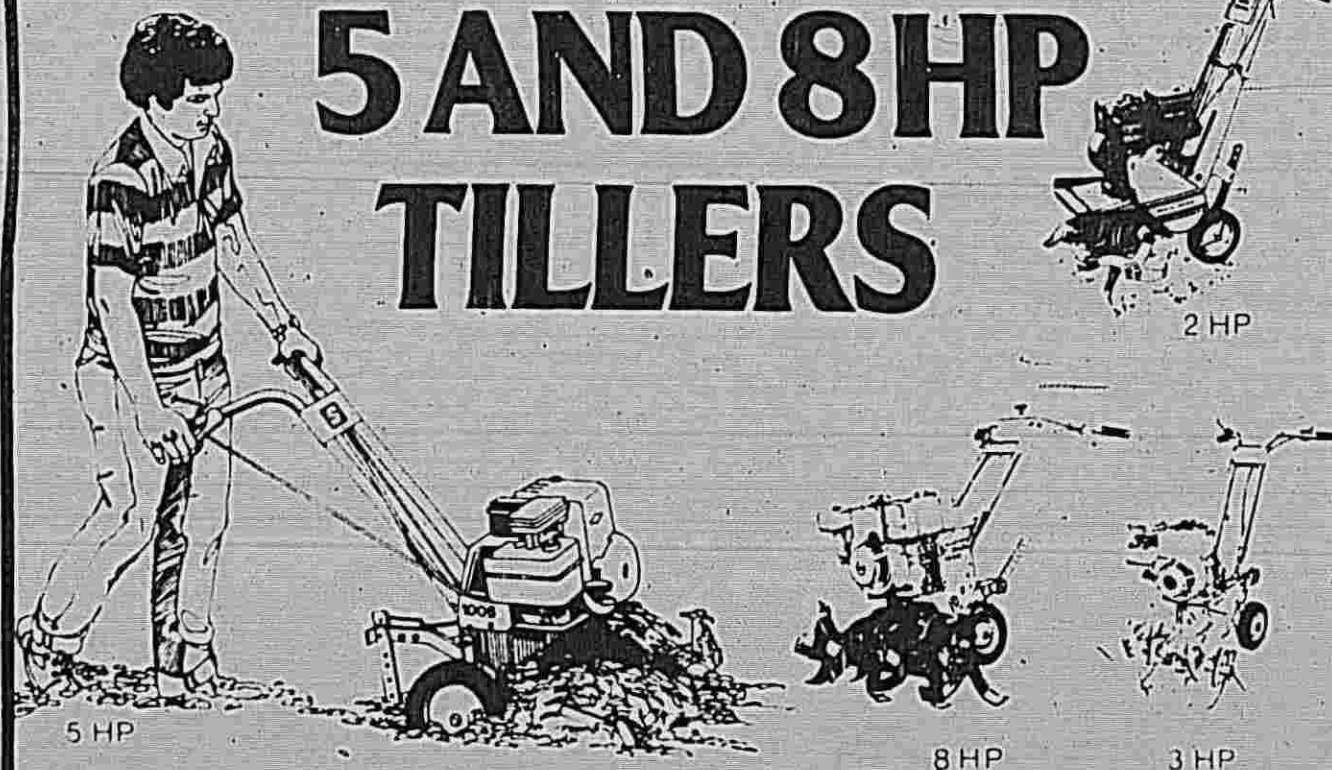

The sawmill park, to be named after Antioch's first settlers, the Gage Brothers, will be the site of a ribbon cutting ceremony. Cutting the ribbon will be Mayor Mike Haley and a descendent of the Gage Brothers, librarian Betty Lu Williams.

AS WE WERE watching the Masters golf tournament last Sunday, Maggie Lenny at Thompson's Restaurant noticed that master of ceremonies Arnold Palmer sounded exactly like movie and television star James Garner.

Their voices are amazingly similar. You may think this is trivia, but it's more than that. Two of the most popular men in America have the same voice.

Shanks bowls 299 and 789

Chuck Shanks, 41, of Antioch, normally bowls one night a week and - because he throws the ball beautifully and it curves effectively into the pocket - he holds a surprisingly high 189 average.

That's unusual for a once-a-week bowler, but it was nothing compared to the hot streak Shanks enjoyed recently at Antioch Bowling Lanes.

COMPETING IN THE Wednesday Night Goodfellowship league, he started out with a 235 game. Then he rolled 11 straight strikes and needed only one more for a perfect 300 game.

Amazingly, he wasn't nervous.

"I felt confident," Shanks said. "I threw

the ball right where I wanted it, but it came in a little light and left the 5-pin."

That gave him a 229 game. He finished with more strikes and a 255 game for a three-game total of 789. Joe Sterbenz, co-owner of Antioch Bowl, said it's the highest series in Lake County this season.

SHANKS CAME BACK the following Wednesday night and averaged 208 for a 625 series. Then, 10 days ago, he was bowling just two games in Antioch Lanes' house elimination tournament ... and his scores were 280 and 268.

In those particular eight games, Chuck Shanks' average was 244!

BEING REWARDED for bowling a 299 game is Chuck Shanks of Antioch (right). Joe Sterbenz presents a check for \$200 on behalf of the Northwest Bowling Proprietors Association. On the night of his 299 game, Shanks set a Lake County record series of 789 at Sterbenz' Antioch Lanes.

Recreation programs planned

The Antioch Park and Recreation department will have its summer schedule of events distributed by May 1.

"This summer we will be offering tennis lessons for all ages, plus first aid procedures and morning gymnastics for adults," said Sue Koppa, coordinator of the department.

"For the younger set we will be offering an all-day day camp for grade school age, a puppetry class, arts and crafts and T-Ball," she added. "Once again there will be a children's production under the direction of Charlie Brown."

Pre-schoolers will have day camp mornings. Also, there will be golf and high school age football programs.

Grade schools hire new superintendent

Lions Club since 1972 and has been president of that club in 1977-78.

He also was a trustee of the Amboy United Methodist Church and on the membership committee at Shady Oaks Country Club.

In recent years he has supervised two school building additions and the renovation of Amboy Junior High.

AT AMBOY, DR. SKIDMORE faced such special problems as being superintendent of a unit school district encompassing 205 square miles. In 1972 he assumed the leadership of a district heavily in debt and reorganized that district, reducing the number of attendance centers from nine to five.

He also reorganized transportation services for the huge district and reorganized the curriculum of an entire high school to include more than 100 courses.

IN HIS RESUME, Dr. Skidmore listed his special abilities as "willingness to set an example of working hard to accomplish tasks ... getting people to work together to realize common goals ... and unafraid to tackle unpleasant but necessary tasks."

After earning his bachelor's degree at Northern Illinois he taught social studies and language arts at Dempster Junior High School in Elk Grove.

From 1964 to 1967 he was assistant principal at Dempster and from '67 to '69 he was principal of the junior high school, which had an enrollment of 1,050.

In 1970 he became principal of Robert Frost elementary school in Elk Grove, and then, in 1972, he took over as superintendent of the Amboy Community Unit District, which had an enrollment of 1,480.

BASKETBALL CHAMPIONS in the Allendale Men's League present their trophy to their sponsor, Mike Warren (right), president of Antioch's Century 21 real estate firm. The team (from left) included Rich Heitman, Steve Owens, player-coach Jim

Mair, Charlie Madsen, Ricky Jorgensen and Paul Gofron. They had a 17-1 record. Other members of the squad were Jim Shore, Steve Dobner, Steve Bentel, Keith Church and Bob Lorenz.

Stock cars open season Saturday

The opening of the 1978 stock car racing season at Waukegan Speedway was pushed back a week due to rain, cold weather and wet grounds.

The Speedway will open this coming weekend, Apr. 15 and 16, weather permitting.

On Saturday night the late models and hobby stocks will run. Gates open at 4 p.m. for practice and registration with time trials at 7 and races at 8.

On Sunday night, the Interstates super-modifieds will run and the hobby stocks will also be on hand. Gates open at 6, time trials at 7 and racing at 8.

Apache trackmen

The Upper Grade School track team is preparing for their first meet of the year. Saturday they will run against Woodland, a tough opponent. They will run at Woodland.

Returning this year are record holders Paul Baczynski (100-yd. dash) and Hank Woolard (long jump).

The team members have been working very hard and are looking forward to a successful season.

Swimmers qualify for national meet

Three area youths have qualified to compete in the National YMCA swimming and diving championships Apr. 19-22 at the Hall of Fame Pool in Fort Lauderdale, Fla.

Sue Harrison, 15, the daughter of Bob and Marie Harrison of Lindenhurst, qualified in three events. Sue's time of 5:35.4 in the 500-yard freestyle was 4.6 seconds under national time. Needing a 2:09 in the 200-yard freestyle, she finished in 2:04.5. Sue also qualified by 1.8 seconds in the 100-yard freestyle, doing a 57.1.

She is a sophomore at ACHS.

Frank Bessette, 19, son of the Rev. Theodore and Alice Bessette of Antioch, needed to do a 1:56.1 in the 200-yard freestyle. Frank's time of 1:55.3 bettered the qualifying time of 1:56.1.

Frank is a freshman at CLC.

Shelly Volling, 13, qualified in the 200-yard backstroke. National qualifying time is 2:29.9 and Shelly's time was 2:29.8. She is the daughter of Gordon and Kathy Volling of Antioch and is a 7th grader at Emmons School.

All three are presently swimming for the Camp Duncan YMCA in Volo. They also are members of the Antioch swim team in the summer.

He said his goals at the national championships are to be the best overall and best ballet amateur skier of 1978.

Businessmen get ready for Bears

By JERRY PFARR

Another secret practice session is planned Wednesday night for the Antioch Businessmen's basketball team, which is preparing for a game against the Chicago Bears here on Friday, Apr. 21.

The basketball game will start at 8 p.m. at the Antioch High School gymnasium. Brad Ipsen, the

five minutes before the Bears take the floor in order for that to happen.

The Antioch team is loaded with outstanding athletes. Morris was an amateur boxing champion in his youth, which isn't too long gone, and assistant coach Jerry Pfarr claims he was "All-Mission House" as a boy. (Pfarr is losing weight in preparation for the game.)

The lineup also includes Richard Higgins, Bill Georgeson, Glenn Hendrickson, Ipsen, Bill Nauman, Mayor Mike Haley, Jim Fields, Pat Ryan, Chuck Miller, Al Anderson, Tim Osmond, Tom Kelly, Harold Knutson, Lou Korom, LaVerne Woods, Frank Morici, Bill Seemann, Steve Miklautsch and Donald Zeman.

How's that for talent?

Tickets are \$3 in advance, \$3.50 at the door and

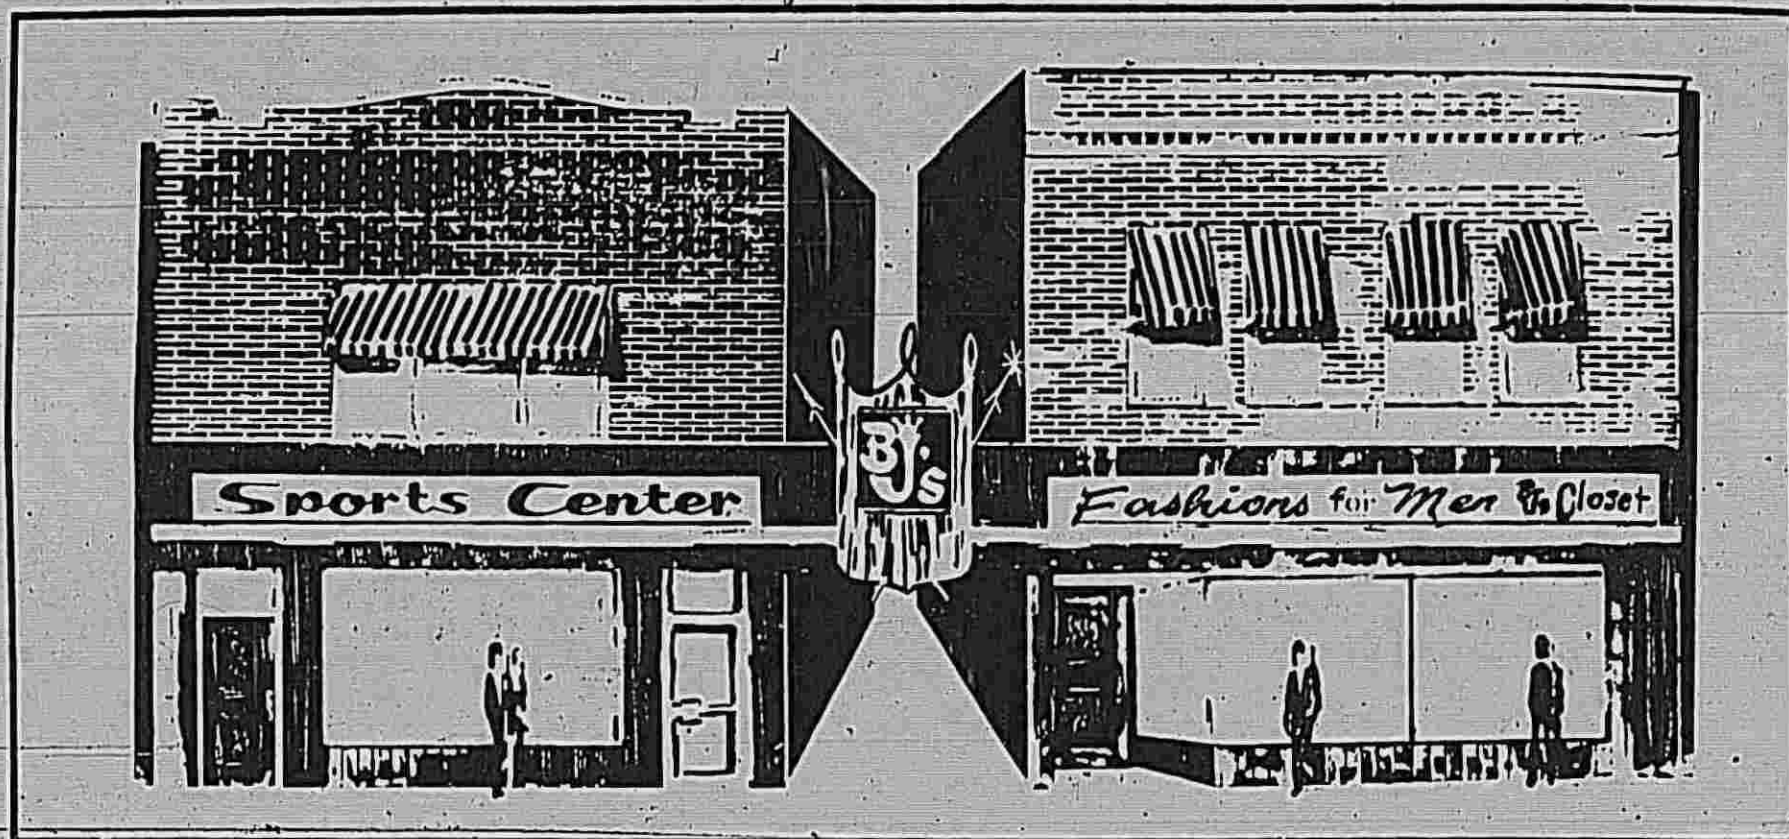

Brad Ipsen

Chamber of Commerce representative who is in charge of the Antioch team, said his men wanted to play the Bears in football but the "Monsters of the Midway" apparently were afraid.

If Antioch gets a 2-0 lead, the Bears just might fold up. And what if Antioch seized a 14-0 lead? Of course, the local team might have to start playing
